# Consciousness

Not mere Awareness

Not mere Intelligence

Not mere Knowing

# Everything in the Universe is Energy

# Metatronic Engine of 'Life'

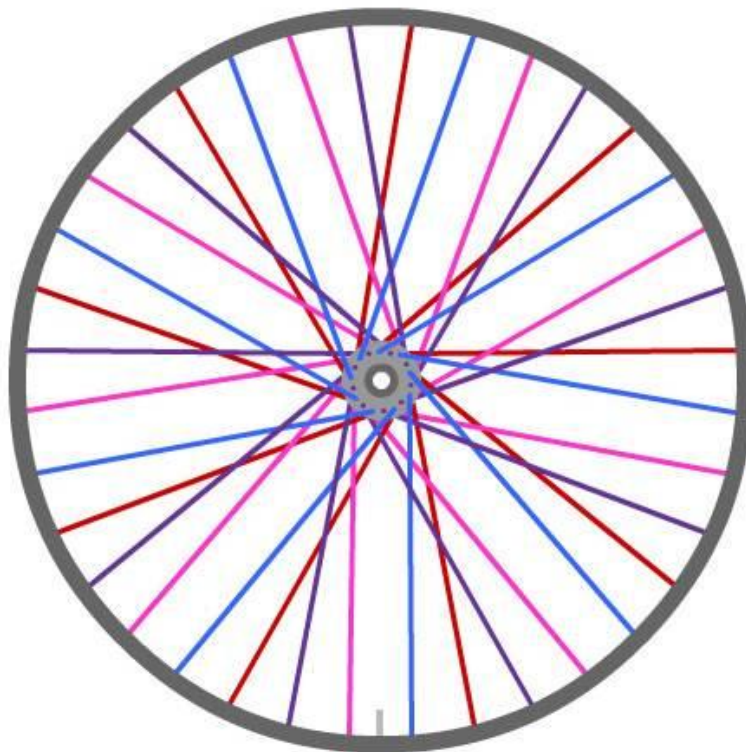

Step-down Transducer – Converts:

Mega-Consciousness to 'Units'

Consciousness to Coherent Light Energy

Imparts Light to Oversoul

Oversoul: to each Soul

**We are ALL Beings of Light**

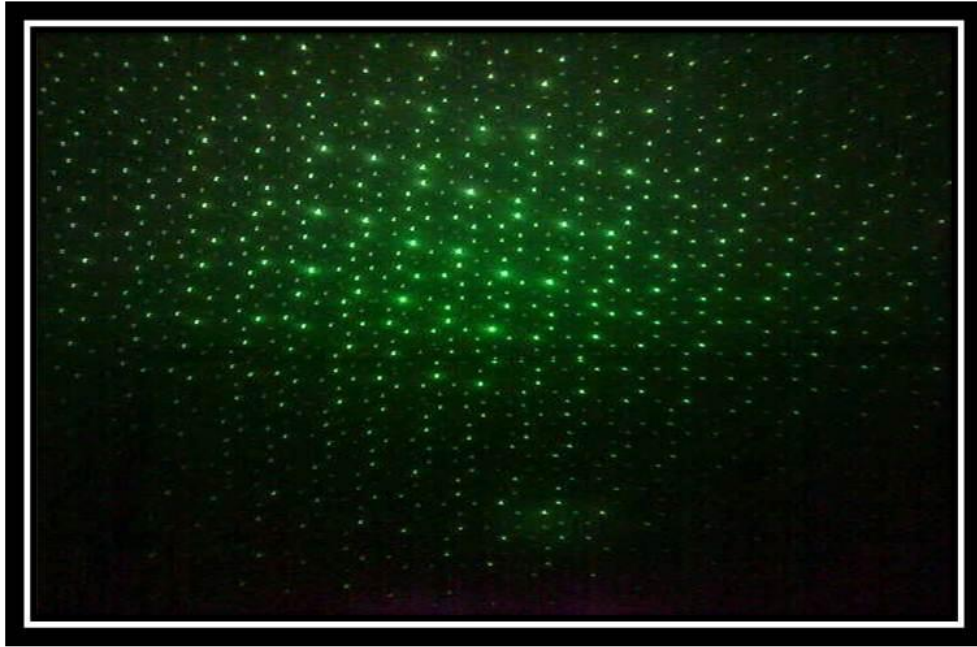

# Light Quotient

A Measure for Consciousness Unit

# Light: Giver of Consciousness

Akash or Adamantine

# Nature of Light: on and off

Stroboscopic or Flashing

Periodic, Oscillatory, Vibrational

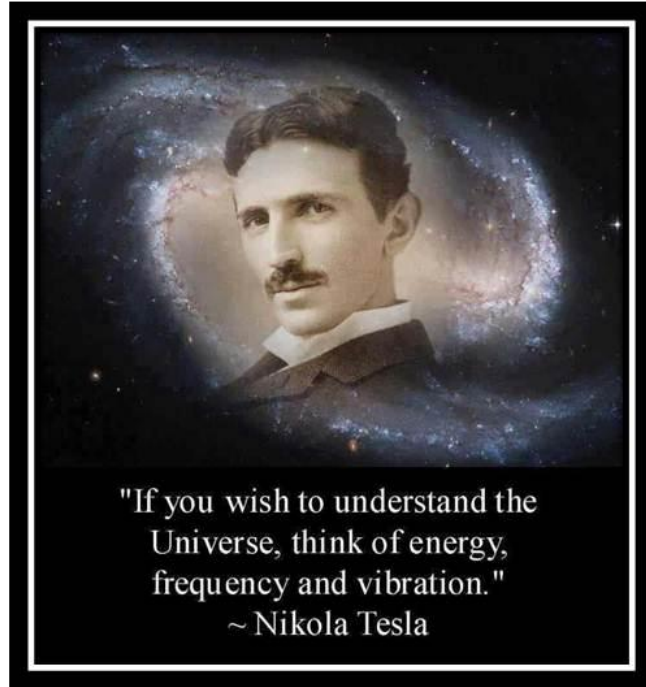

# Natural Frequency of Vibration

A Measure for Consciousness Unit

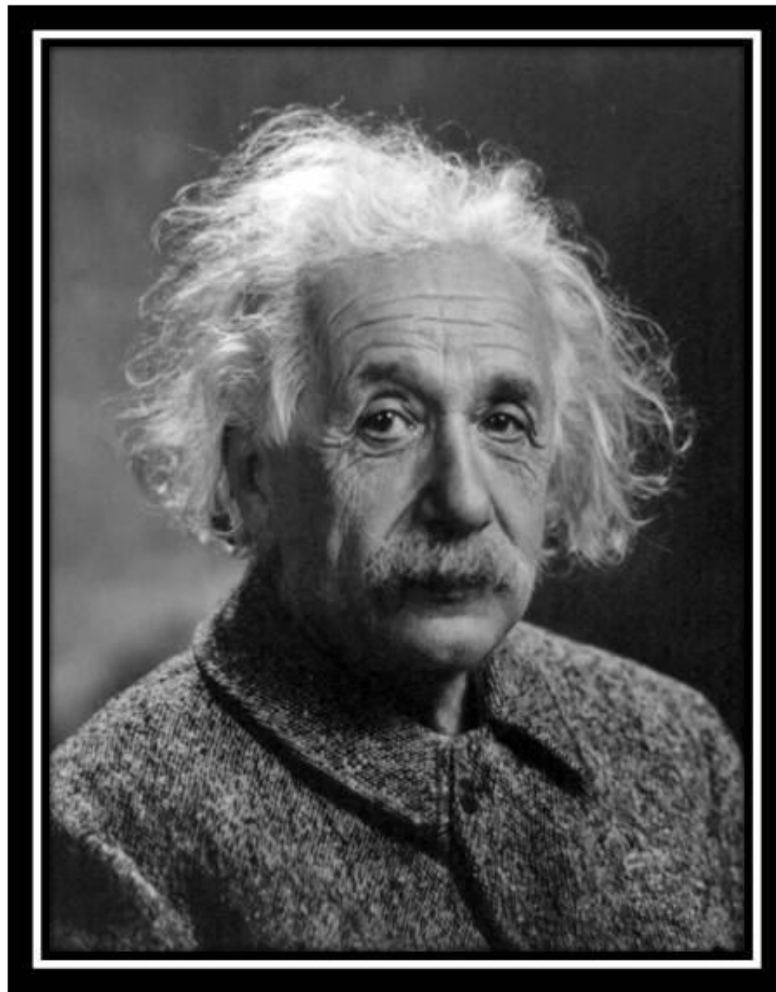

# **Tesla: Everything is Vibration and Everything is Energy**

# Theory of Everything

Fails to incorporate the most important source of energy in the equation: thought and emotion which is sourced in antimatter

# **‘Flashing’ Light entails: ‘Darkening Period’**

Planck’s No: 10 to -43 sec

# **Soul Fragmentation**

**Soul Disseminates Light to 'Selves'**

**Each Self Experiences Multiple Realities**

**Lower Consciousness: Stealth**

**Expanded Consciousness: Detected**

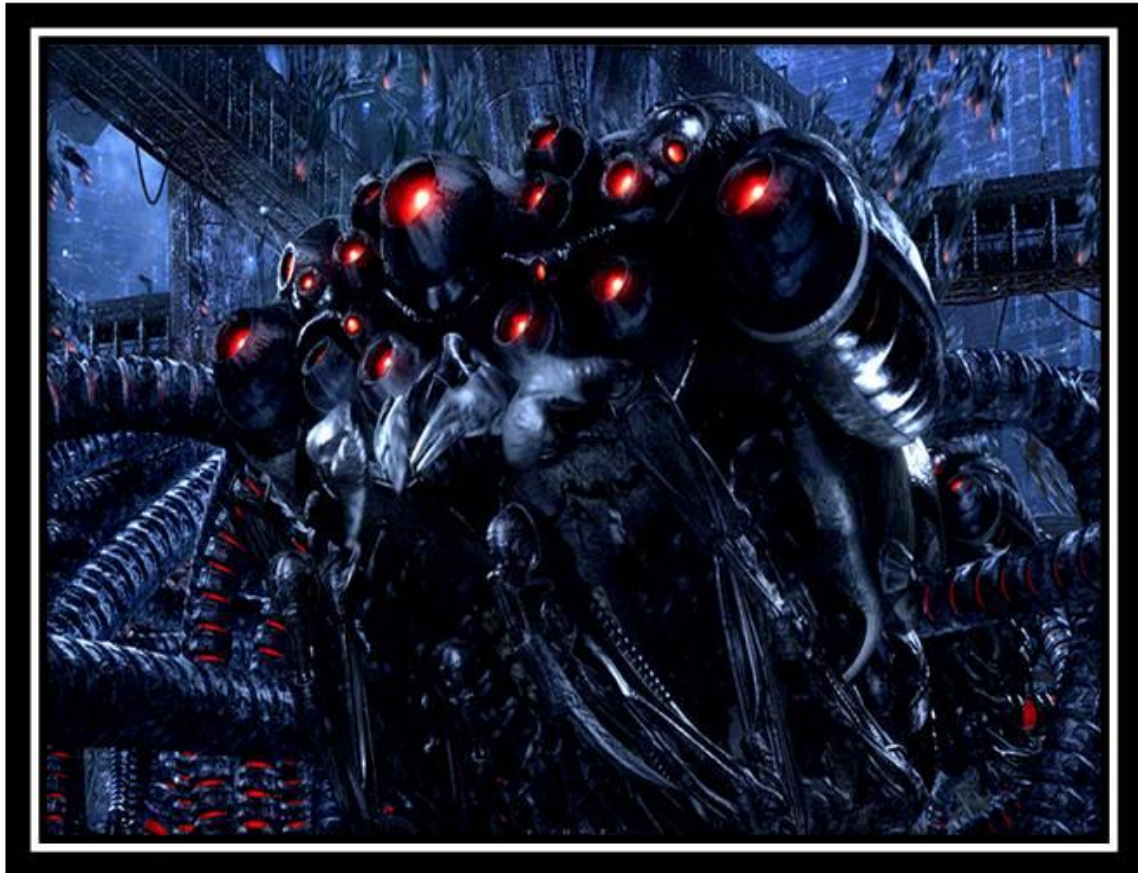

# **Metatronic Engine of 'Life'**

Converts Matter to Antimatter:

Regulates Black Holes and White Holes

Energies Unifying:

Space and Time - Aspects of the Same:

One is the Inverse of the Other

Space is Congealed Time

Everything Collapses to a Foam

# Timeline Matrix

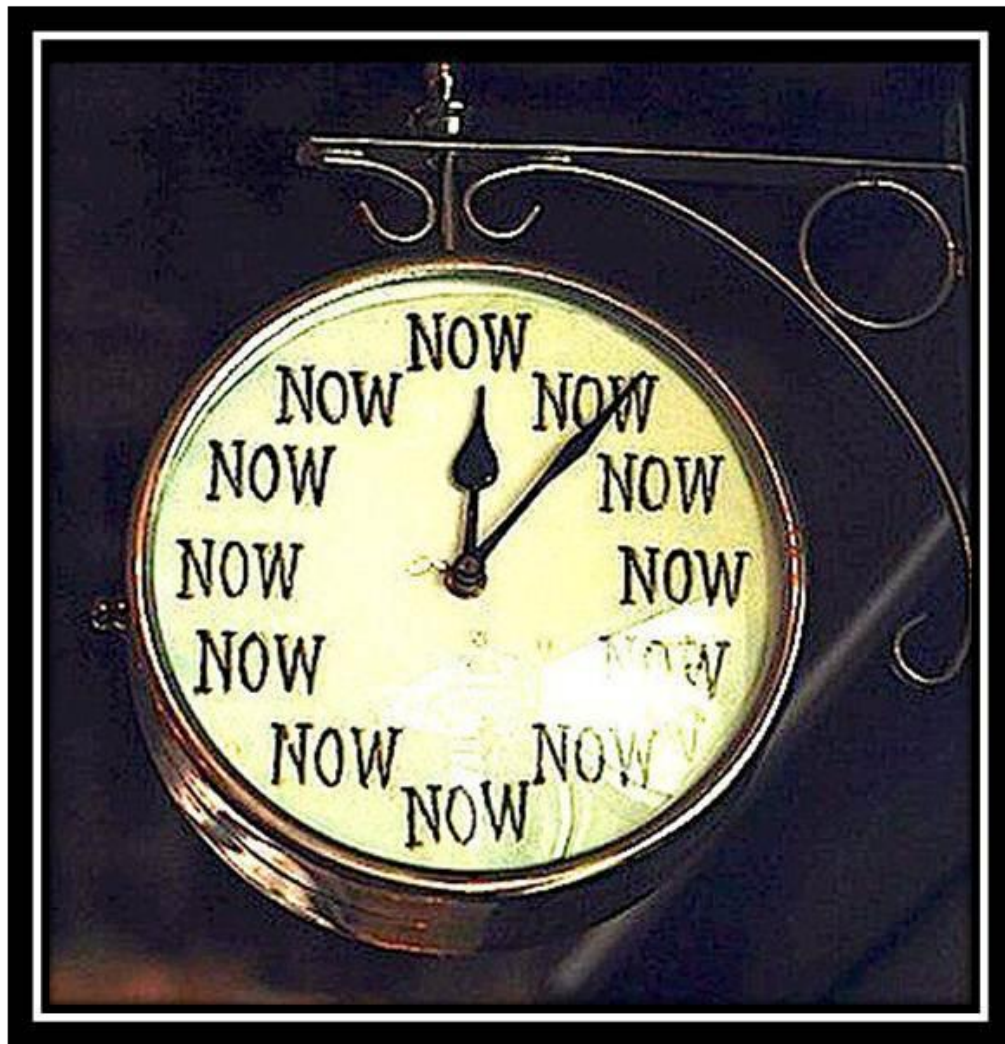

# LINEAR TIME IS A 3D ILLUSION

TIME IS AN ILLUSION

# **It all Happens in the NOW Moment**

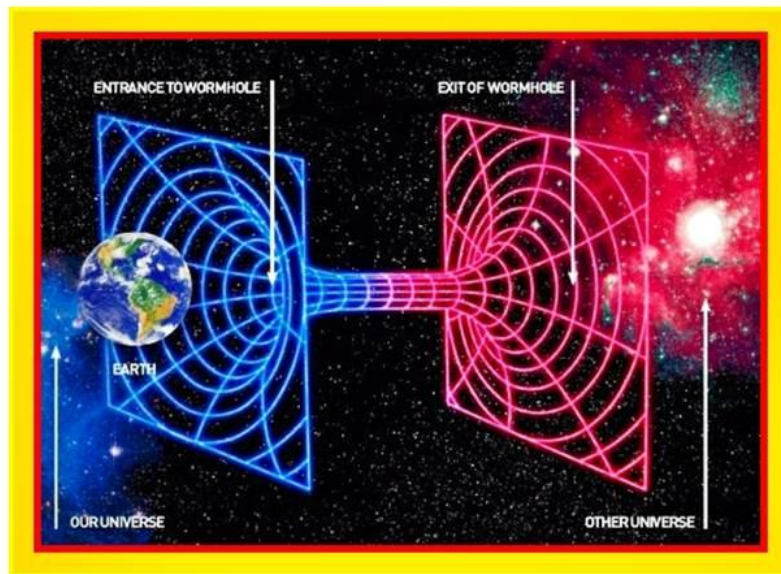

# Omniverse: Parallel Universes

Each Universe: Distinct Dimensions

Each Dimension: Different Frequency Level

Composed of Diverse Sentient Beings

# **Nebadon Universe**

5 Harmonic Universes [HU]

Each: 3 Distinct 'Timeline' Matrices

HU1: Reincarnates [Selfs]: 1-3

HU2: Realm of Souls: 4-6

HU3 : Realm of Oversouls: 7-9

HU4: Avatars: 10-12

HU5: Rishi's: 'The Divine:' 13-15

# **You are a Multidimensional Being**

The energy on the planet is calling for us all to raise our vibration.  
It's time to step up to the next level of your spiritual evolution.

**I AM Awakening To My Mission**

# Mind is Multidimensional

Pre-requisite: Crystallinity

Expanded Frequency

# Multidimensionality

5000 Subconscious Thoughts a Day

## Self-Reflection

# Fundamentals of Multidimensionality

Turn off the 3D Conscious Mind  
Start Communication with Higher 'Soul'

Beta: Ego the Captain

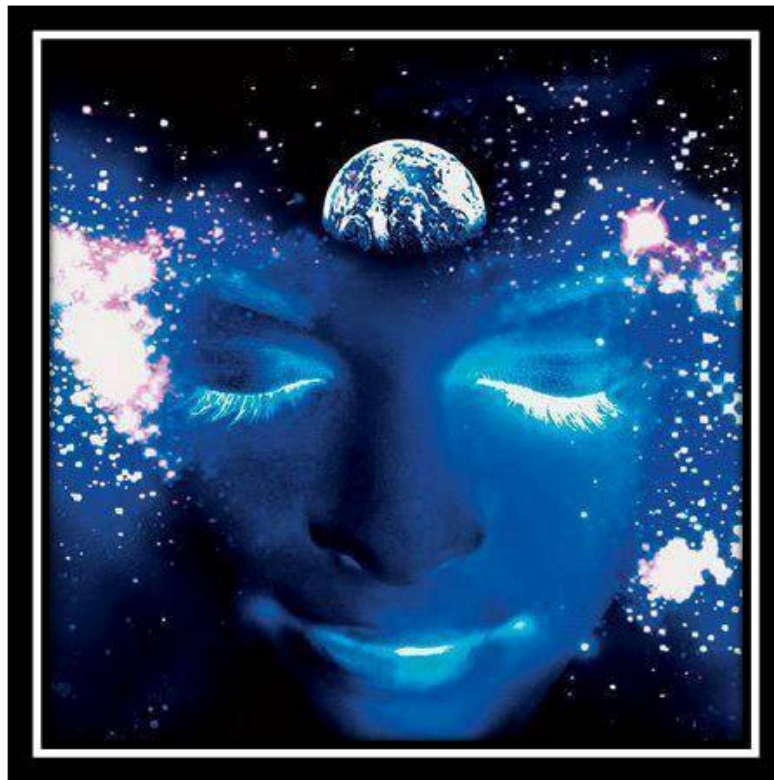

Delta: Higherself or 'Soul' the Captain

Delta: Live life from inside out; Live in

Beta to Alpha to Theta to Delta

NOW; Light Body Activation: Phase out of 3D

Challenge: Alpha to Theta

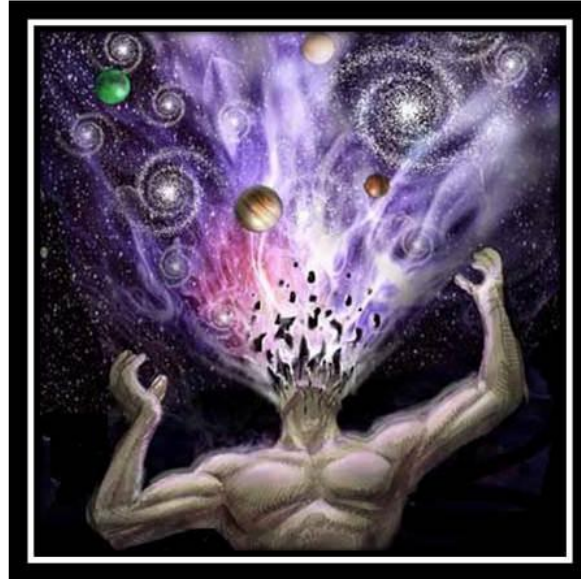

# Pre-requisites of Multidimensionality

Expanded Consciousness: High Natural Frequency

Reconnection, Realignment , Activation of Genes

Crystallinity of Pineal, Pituitary, Hypothalamus

Impeccability of Utilization: no Atrophy

# Multidimensional Communication

Beta to Alpha to Theta to Delta

# Multidimensionality Beyond 4<sup>th</sup>

Activation of Crown Chakra

Joining of Pineal and Pituitary

Wormhole Activation: 4<sup>th</sup> to 5<sup>th</sup> and above

# **Living with Expanded Consciousness**

We use 10% Brain and 3% DNA/RNA Genetics

Full Consciousness: Integrate Multidimensionality

Access inherent Capabilities: Bilocation, etc.
